

Senior Center of the Chathams

Be Active. Be Connected.

2017-2018 Annual Report

OUR MISSION STATEMENT

The Senior Center of the Chathams is a not-for-profit agency which encourages the independence and well-being of seniors and their families in the greater Chatham area by connecting them with each other and the community at large. Since 1990 we have helped older adults age in place by providing a wide array of activities and services that educate, empower and promote community engagement.
